

KEEWATIN PARK, RECREATION,
AND BEATIFICAITON

ANNUAL HANGING FLOWER BASKET DRIVE

MARCH 10, 2026

The Park, Recreation, and Beautician Committee is preparing for our annual summer hanging basket program. These baskets add color, charm, and a welcoming atmosphere to our downtown, and they're one of the small touches that make our community feel special.

This year we are inviting residents to sponsor a basket for the season. A Sponsorship of **\$120.00** covers the plant, maintenance and watering. In appreciation each sponsored basket will display recognition of your name and in our public thank you announcement. We are collaborating with the Cherry Greenhouse for the baskets, and flowers.

This would be a great opportunity to honor past family members or gather with others for a sponsorship.
